

2022 Regatta Calendar for HYC Program

This year's selection of regattas are based on the following principles and inputs:

- Allow for adequate practice time for better regatta performance
- Avoid too many back to back regattas [=burnout]
- Ensure instructor availability for students **not** going to regattas
- Parent feedback from 2021
- Instructor feedback from 2021
- Youth Committee review and recommendations
- SMSA grand prix regattas [marked by **] Please note that we are NOT scheduling enough Grand prix regattas for 420s to qualify. To qualify you need 3/4 which includes Vineyard Haven, Falmouth, as well as Scituate [which conflicts with CJ Buckley]
