

Hyannis Yacht Club Race Program
Awards Night
Saturday October 24, 2015

Welcome to Awards Night

I would like to welcome all sailors, race committee participants and members to the Hyannis Yacht Club 2015 Awards Night. It is a festive occasion that celebrates a highly successful sailing and racing season. We have experienced excellent and varied weather, an increase in participation and improved skills on everyone's part. We have enjoyed a sense of camaraderie that extends beyond fleets and the racing field. Many of us have participated in clinics and training sessions to better our ability to sail and manage the racing process. On behalf of the entire race management team, we look forward to recognizing all who engage in what is the cornerstone of our club. Enjoy the evening!

Commodore's message

2015 ONE DESIGN AWARDS NIGHT

I would like to welcome and congratulate all the sailors, volunteers and participants in the 2015 Hyannis Yacht Club One Design program. This program truly embodies and validates the HYC mission statement of "encouraging the sport of yachting and the science of seamanship and navigation".

On behalf of the Board of Trustees I would especially like to thank Co-Chairs Lisa MacLean and Bill Abbott of Race Committee and the entire team;

Brian Leaver for One Design, Eileen Baird for Ocean Race, Amanda Donohue and Melissa St. Onge for Team Racing and Richard St. Onge for protest. Thank you for your hard work along with the HYC volunteers whose concerted efforts have made this program a great success.

Although there will be some winners recognized tonight, the program has brought the best out in all those participating; building strong character traits, team work, friendship and camaraderie and having the time of your life. As a result, all the participants in this program are winners.

Thank you again to all who have contributed this year. Have a wonderful evening. I look forward to seeing you around the club.

Victor Tagliaferro, Commodore
