**Hyannis Yacht Club
Race Program Awards Night
Saturday October 29, 2016**

On behalf of the Race Management Team of Bill Abbott, Richard St.Onge, Amanda Donohue, Melissa St.Onge, Ryan Scudder, Chris Dixon and Brian Leaver, outgoing Commodore Victor Tagliaferro and new Commodore Chuck Sabatt, welcome to Hyannis Yacht Club to celebrate the culmination of a very successful race season.

Special thanks go to the many behind the scene players who make our efforts run smoothly; Mike, Bob and the entire dock staff, Marsha and Carol for assisting with registration and helping with the program, Sandy Boudreau for photographic excellence, Chris Blair for the best trophies ever!

Ocean, One Design and Team Racing embodies Hyannis Yacht Club's mission and is our cornerstone. Congratulations and thank you to everyone who had a part; skipper, crew, race committee, scorer, spectator, enthusiast.

Enjoy the evening!

Race Committee Chair*

Commodore's Message

I would like to welcome and congratulate all the sailors, volunteers and participants in the 2016 Hyannis Yacht Club Racing program. This program truly embodies and validates the HYC mission statement of "encouraging the sport of yachting and the science of seamanship and navigation".

On behalf of the Board of Trustees I would especially like to thank Co-Chairs Lisa MacLean and Brian Leaver of Race Committee and the entire team; Brian Leaver for One Design, Ryan Scudder and Chris Dixon for Ocean Race, Amanda Donohue and Melissa St.Onge for Team Racing and Richard St.Onge for protest. Thank you for your hard work along with the HYC volunteers whose concerted efforts have made this program a great success.

It is always great to win and I congratulate the winners. But sailboat racing is so unique and so much unlike any other sport that it is a great outlet for all who participate and race. To be on the water endeavoring every week to master the wind and to outsmart the tide is a great challenge and a never ending pursuit that is the true essence of the sport regardless of the outcome. In sailboat racing we make our best friends and live through our best memories. A trophy is merely incidental because sailing provides its own distinctive value for each of us. For all of us who sail, there is a victory for each of us in every race.

Thank you again to all who have contributed this year. Have a wonderful evening. I look forward to seeing you around the Club.

*Chuck Sabatt

Team Racing

Hyannis Yacht Club continued to build the team racing program under the leadership of Amanda Donohue and Melissa St.Onge. There was one Thursday event with strong participation. The special Saturday events stood out and some, like Independence Day and Chix Only, have become annual events. Thanks to the Roger Newson team for providing the Chix with liquid refreshments!

The Summer Send off featured a hearty competition between HYC (who won) and Stone Horse Yacht Club who vowed to return for redemption.

A special shout out goes to the Hyannis Yacht Club staff for preparing the boats to sail and for supporting the efforts of strengthening Team Racing in Lewis Bay.
