

Hyannis Yacht Club Covid Policy for Staff

Staff member tests positive for covid (vaccinated or unvaccinated)

- Staff member notifies direct supervisor swim or sail master
- Staff member stays out of work for 5 days
- Staff may return on Day 6 if symptoms improving without the use of fever reducing medications.

Staff member is exposed to a person who tested positive for covid

(exposure is defined as close contact within 6 feet for 15 minutes or greater)

- Staff member will notify direct supervisor (swim or sail master)
- Staff member will test with at home antigen test, if negative, staff can come to work with a mask on.
- Staff will test again on day 4, if negative staff can come to work with a mask on.
- Staff will test again on day 7, if negative staff can come to work with a mask on.
- After day 7 there is no need for testing and mask will no longer be required.

***If at any point in the 7 days of testing a staff member tests positive the above protocol for covid positive staff will be followed for covid positive staff.*
