

This year, Hyannis Yacht Club will be hosting its 7th Annual Chix Regatta – a J22 team race event for the women and girls of HYC. For the past six years, sailors of all ages have been coming together to race and promote women’s sailing at the club. Every year, more and more women come to our event and our goal is to generate enthusiasm that will drive sailors to participate in other sailing events and courses.

This year, we are looking for sponsorship to continue to promote our mission. For donation opportunities you could:

Sponsor a boat for the regatta for \$200. You would be able to name one of the 6 J22s for the day and the remainder of the sailing season. Deadline to sponsor and name a boat is Monday August 2, 2022.

Make a donation to be used in our raffle to raise money for We Can, a local organization supporting women through life transitions. For more information on We Can and their mission, please see their website: <https://www.wecancenter.org/>

If you or your business makes a donation and you have a banner for your business, we will fly your banner the day of the event.

Your sponsorship will support our mission of supporting women and sailing in the community. This year, all proceeds from the event will be donated to We Can, an organization that has been supporting women on Cape Cod through life transitions and challenges for over 20 years .

We appreciate your support, and invite you to join us the day of the event, August 6, 2022, on one of our spectator boats!

Thank you,

Amanda Donohue and Patrick Meade

HYC Team Racing Co-Chairs
